When the Legislative Council became elective, he was returned for the first county district of Queen's county, which he represented, and filled the office of President of the Legislative Council until a few months after he was elected to the Senate in 1873. The senator was a gentleman of such general qualities that he could scarcely be said to have any enemy. During his legislative career he enjoyed a popular popularity. Indeed, the last to gain popular favor seems to have been a trait of his family, as he rather he for him was for 25 years a member of Prince County, and others of his near relatives have at times enjoyed legislative honors. As a man of the people, as the head of a family, as a neighbor, outside and friend, Senator Van Dusen has been

PICNIC AT ST. ANDREW'S, HALE RO.

Friday the 21st of July was one of the re-liever days on the South Branch. The half yearly examination of the St. Andrew's School came off on Thursday the 20th with its usual eclat, and its picnic in connection with that event on the following day. So Friday morning a brazier, buckboards and wagons, filled with husbands and wives, youths and maidens, boys and girls, and dogs with something in their mouths, there went to Victoria race course. In the centre of the car was a beautiful bouquet (built by Mr. W. C. Martin) and in the lower were Mrs. Spencer, Mrs. B. A. Hume,

filled by half a dozen young ladies with smiling faces, receiving and arranging the afghan baskets. Tables were set, and bread and emptied, and refilled and emptied, again and again, for people kept coming from north, south, east and west, and still the indefatigable managers and plenty to spend again, so much so that after every one was satisfied, the sports over and the sun down, there were enough refreshments left to enable the young people to face the "night train" til the "ween-na house" brought the real fun. After the inner room was refreshed, men with ribbons in their button holes, were seen moving about preparing for the races. There were all kinds of races, for horses, boys and girl men and women, not forgetting the three-legged, three-footed and was-dinner races, also the

the horse, B. H. Black Lodge, says. I don't know how much start it gave the others, but it was very soon formed. The main credit can be given Mr. Silsby, president, for the success of the fair, bestowed to be here, there and everywhere, doing things right, besides getting and raising funds for prizes for races. To such praise cannot be given to the ladies, however, for the same in which they worked for the same. They consisted of Misses, J. Monckton, M. De Bray, M. Cromatt, C. Cromatt, C. H. Clark and S. Bird. Thanks to Mr. S. P. Richard for having the concert, also to Mr. C. S. Sn. herland and C. De Bray for harrowing and rolling lands. To Mr. A. Spence and B. Cook for helping to collect funds, and to all friends who subscribed to the above, to those who brought

course so well, not forgetting the trustees for the use of the school and Mr. W. Germond for putting himself to the great deal of inconvenience, so that the young could enjoy themselves. The general management of Messrs. C. Adams, A. Spence, W. Greenacre, A. DuBay, B. Cook, C. Sutherland, and R. Bowell and others contributed greatly to the pleasure of the day. Judges—Messrs. A. Spence, W. Greenacre and G. Sutherland. Steewards—P. Wick and J. Beldome. S.ewards—C. Adams, W. Bowers, B. Cook, R. Bowell, G. Greenacre, A. DuBay.
